KEY FEATURES

PROTECTIVE FOLIO CONSTRUCTION INSIDE AND OUT

Provides protection against scratches and dents, plus a full interior liner protects against scuffs and abrasions on the surface of your device.

MULTI-ANGLE STAND FOR CONVENIENT VIEWING

The case cover converts into a convenient typing stand, plus you can adjust the angle for viewing videos anywhere and everywhere.

MAGNETIC CAMERA SHIELD SNAPS INTO PLACE

Strategically placed magnets on the back cover allow you to shield your camera lens when it's not in use, and easily retracts when you want to snap a photo on the go.

SECURE LATCH CLOSURE KEEPS YOUR TABLET IN PLACE

Secure latch ensures the cover stays securely closed, keeping your screen protected and everything exactly where it should be.

PROVEN ANTIMICROBIAL PROTECTION

Only Speck has Microban®.* Their antimicrobial product protection delivers a 99% reduction in bacteria growth on the case, creating a cleaner surface. Life gets dirty, we keep your case cleaner. *Exclusive Microban® brand rights apply to phone cases and FOLIO® tablet cases in North America only.

THOROUGHLY TESTED FOR DURABILITY

Speck cases are independently lab-tested for multiple real-life situations, including extreme drops and temperatures, chemicals, antenna interference, cracks and abrasions, device bending, and more.

ONE-YEAR WARRANTY

Speck® backs each Balance FOLIO® case with a one-year warranty.
